

Dear fellow Citizen,

As part of our transparency policy, the below documents are available upon request. All you need is to contact us, indicating your name, email and the justification of why you need the document, and we will gladly send it to you. The following list indicates the available documents or records:

- Site Operating Permits.
- Wastewater Discharge Permit
- Environmental feasibility (SETENA).
- ISO 14001 and 45001 certifications.
- Wastewater Treatment Operational Reports.
- Emission Control Operational Reports.
- Environmental Regency Reports.
- Groundwater Monitoring Reports.
- Other EH&S Licenses or Permits

You can contact us at the following email: ehs.atm.costa.rica@intel.com

Kind regards,
Intel CR Environmental, Health & Safety team
